

This is what your chapter has to say about you:

Elaine Pergerson provides meticulous assistance to the Georgia Delta chapter in organizing mailings and meetings, maintaining an electronic database, and assisting the chapter councilor.

She interfaces with the dean's office in providing consistent financial support for the chapter, and is always cheerful, organized, and innovative in support of excellence.

Dear Ms. Elaine Pergerson,

In appreciation of your efforts on behalf of the Mercer University School of Medicine, Dr. Richard J. Ackermann has nominated you to receive the AQA Administrative Recognition Award for your work on behalf of the Chapter. We know it is well deserved.

Please accept this small token of appreciation for your significant contribution to the success of the AQA Delta Chapter Georgia.

Sincerely,

base
