 Well, death’s been here for a long time. Editorial. Harris ED Jr. Spring, 1.
 Winter, 1964. Poem. Schreiber MH. Summer, 18.

Creation: Millennium 2000

Building like a ladder
 out of the mire
 Winding around, bound by finger-like extensions
 holding one to the other.
 Until, by inexorable forces, they part.

This double helix,
 one segment the pattern for the other
 Who is to say one side,
 God-like,
 is not the tool which the creator uses
 to construct his beings,
 in his image?

Jules S. Shapiro, MD

Dr. Shapiro (AΩA, University of Illinois at Chicago, 1961) is associate professor of Orthopaedics (emeritus) at Rush University and senior attending physician (emeritus) at Rush University Medical Center in Chicago. Dr. Shapiro’s sculpture and poetry also appeared in the Summer 2005 issue. His address is: 1116 Calle Conejo, Santa Fe, New Mexico 87501. E-mail: marju@worldnet.att.net
