

Asymnea

Buoyed
by
urgency

Diving into the
human
abyss

The body's
traitorous
conspirator

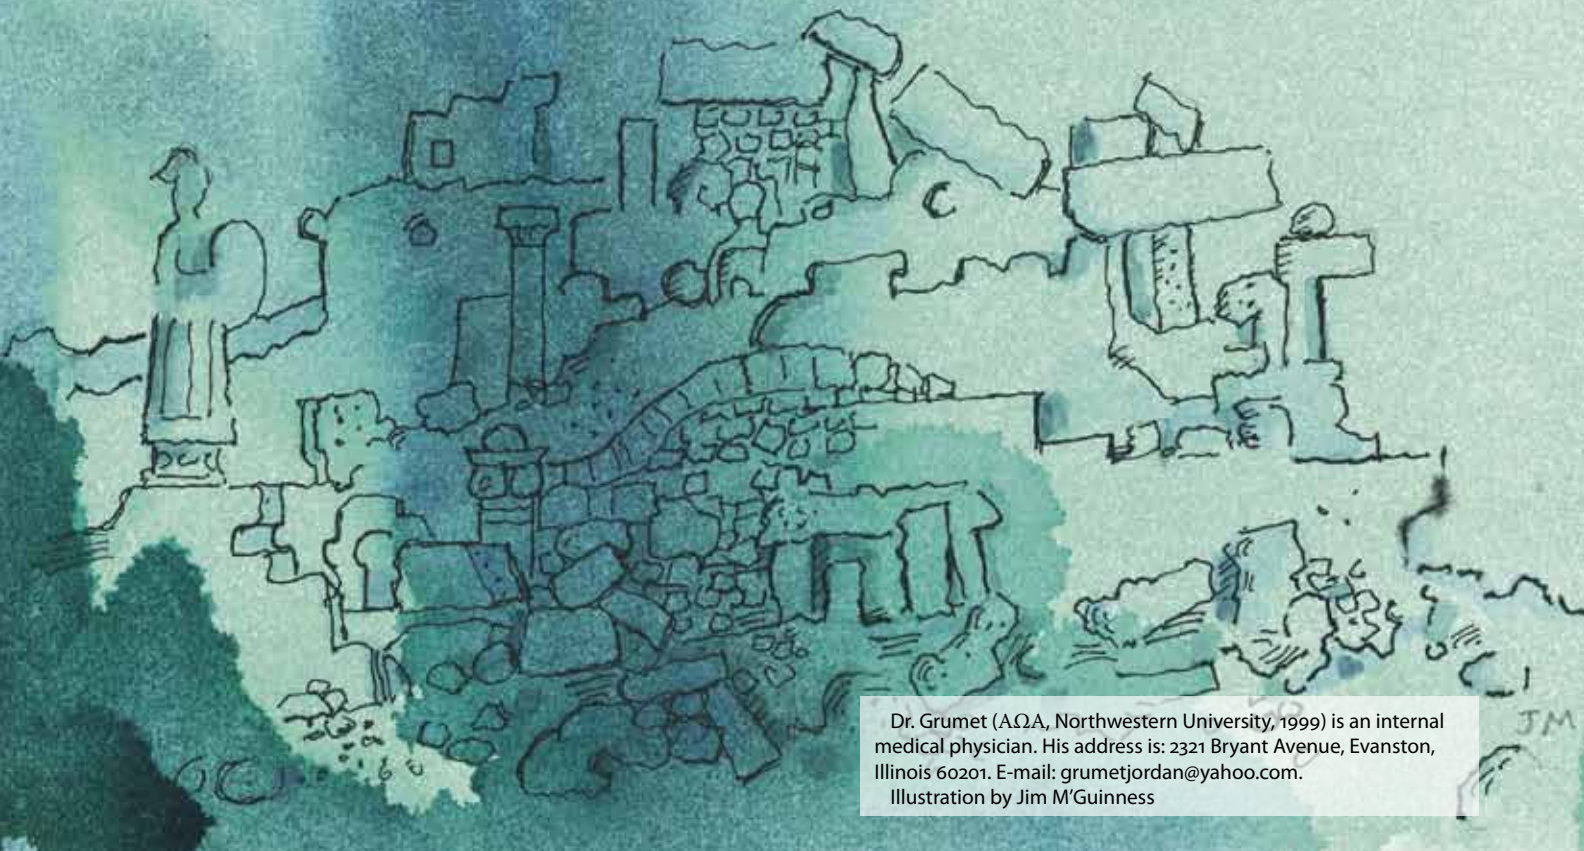

A return
to
primordium

Yearning
for
Atlantis

Alveoli
float
helplessly

In the deep
pneumatic
ocean

Jordan Grumet, MD

Dr. Grumet (A.O.A., Northwestern University, 1999) is an internal medical physician. His address is: 2321 Bryant Avenue, Evanston, Illinois 60201. E-mail: grumetjordan@yahoo.com.
