

2021 Honor Roll of Donors

Alpha Omega Alpha Honor Medical Society thanks its members and donors for their generous support. Their donations, in addition to member annual dues, support and expand AΩA's 13 national fellowships, grants, programs, and awards for medical students, residents, faculty, and physicians. For the fifth year in a row, donations were received from 100 percent of the members of the AΩA Board of Directors.
